TERMS

1. Ownership. The seller states that they are the legal owner of the vehicle, have the right to sell it, and that it is sold free of any lien or claim except as written above.

2. As is. The vehicle is sold **AS IS, WHERE IS**, with no warranty of any kind, express or implied, unless written here: _____ The buyer has inspected the vehicle or had the chance to, and accepts its condition.

3. Odometer and damage. The odometer reading above is the seller's statement of the actual mileage unless disclosed otherwise. The parties will complete the NCDMV forms that apply to this transfer, including the Odometer Disclosure Statement (MVR-180) and the Damage Disclosure Statement (MVR-181).

4. Title and plate. The seller will sign the certificate of title over to the buyer. A North Carolina title must be notarized. The license plate stays with the seller, who will transfer it to another vehicle or surrender it as North Carolina law requires.

5. After the sale. The buyer is responsible for titling and registering the vehicle in their name, for all taxes and fees, and for insurance and responsibility for the vehicle from the date and time of delivery above.

This is a general-purpose template from SellCarNC, provided for convenience. It is not an official NCDMV form and it is not legal advice. NCDMV does not list a bill of sale as required for a private sale (it does for purchases from a dealer), but a signed bill of sale records the price, date and condition. Always use the official NCDMV forms that apply to your transfer. Official NCDMV forms and rules: ncdot.gov/dmv.
